Dental, Vision, Hearing (DVH) Highlights

Coverage for your oral, eye and hearing health all together in one convenient plan designed with budget-friendly premiums in mind.

Use dental benefits right away, no wait for most services

Our plans offer you coverage without waiting periods for preventive, basic and most major services¹ so you can start using them right away! This means you have immediate coverage for routine services like exams and cleanings, plus major repairs like crowns and root canals.

Eye exams and eyewear, no waiting period

Vision health and routine eye exams are not only important for seeing better, but also have been shown to help with early detection of serious medical conditions like diabetes, heart disease, even Parkinson's disease. Our plans offer coverage for your annual vision exams, plus coverage for glasses or contacts. The vision network includes private practice and leading retail providers.

Help with hearing aids, including over-the-counter

Hearing loss is an invisible problem that can affect your social life, safety and overall well-being. Our plans include benefits from UnitedHealthcare Hearing, which has straight-forward benefits for annual hearing exams and hearing aids, including over-the-counter (OTC) hearing aids, when you use a network provider.

¹ Major services not covered on 500 and 500 Plus plans.

This is an outline only and is not intended to serve as a legal interpretation of benefits. Reasonable effort has been made to have this outline represent the intent of contract language. However, the contract language stands alone, and the complete terms of the coverage will be determined by the policy.

Why Dental, Vision and Hearing Insurance?

Taking care of your health goes beyond regular medical checkups. Dental, vision and hearing health are just as important to your overall well-being. **Original Medicare (Parts A & B) does not cover routine dental and eye exams.** It also does not cover routine hearing exams or hearing aids. Having a supplemental plan like UnitedHealthcare Dental, Vision, Hearing can help provide the additional coverage you need to protect your overall health, and budget.

Helping to enhance your quality of life

Your overall health and well-being rely greatly on your dental, hearing and vision care. When you smile more, and can hear and see better, life is naturally more enjoyable. Choosing a DVH plan can help enhance your quality of life and help you feel good about yourself.

Dental Plan Options

Our plan options allow you to select a plan that best balances your premium and out-of-pocket expenses, with your anticipated benefit use, giving you the freedom to choose what works best for you. And no matter which dental plan you choose, vision and hearing benefits are included (see pages 6-9 for details).

¹ Plan and network availability vary by ZIP code. ² For covered Dental expenses, non-network provider benefits are determined by ZIP code. They are either based on the network negotiated rate or are based on the reasonable and customary charge (reasonable and customary benefits are identifiable by the word "Plus" added to the plan name). Non-network dentists can bill a patient for any remaining amount up to the billed charge. ³ Limitations and exclusions may apply based on type of service. ⁴ The Implant Maximum Lifetime Benefit is separate from, and not subject to, the Dental Calendar Year Maximum.

Dental Benefits and How They Work

Dental benefits are administered by Dental Benefit Providers, Inc. We will cover dental services subject to the terms, conditions, exclusions and limitations of the policy. All services are subject to Dental Calendar Year Maximum and applicable coinsurance.

Network Provider Services

You can see any dentist you want, anywhere across the country. When you choose a dentist who is part of the plan's large national network, you can receive network discounts without the hassle of negotiations. Visit YourDentalPlan.com/DentistSearch to find a provider and present the provider with your dental ID card. We will pay the provider the covered benefit, and the provider will bill you for the remainder.

There are no claim forms to fill out when obtaining services from a network provider.

Non-network Provider Services

The non-network provider may submit the claim to us directly. The provider can then bill you for any remaining amount due up to the billed charge. If a provider does not wish to submit the claim to us, you will need to pay in full at the time of service. You can then submit the claim for reimbursement by going to myuhc.com and completing the dental claim form.

Vision Plan Benefits

These vision benefits are included with your DVH plan, regardless of the dental plan you choose.

Work with your provider to determine what is covered.

Vision Benefits and How They Work

Vision benefits are administered by Spectera, Inc. We will cover vision services subject to the terms, conditions, exclusions and limitations of the policy, Vision Benefit Rider SA-S-2074-UHC.

Network Provider Services

These plans use the UnitedHealthcare Vision Network.* You will get the most value from your coverage when you see a provider in this large national network of eye doctors, optometrists and ophthalmologists, including both local doctors and well-known retail providers. Choose from network providers by visiting myuhcvision.com. Contact the provider, identify yourself as having UnitedHealthcare Vision coverage, and provide your name and date of birth to get started.

No ID card is needed, and there are no claim forms to fill out when obtaining services from a network provider.

Non-network Provider Services

You will need to pay in full at the time of service. You may then submit the details to us for reimbursement of covered benefits. See Vision Rider in the policy for details.

* Not all providers participate in all plans. Check with your provider before using your benefits.

Plan Provisions

This is only a general outline of the provisions. It is not an insurance contract, nor part of the insurance policy. You will find complete coverage details in the policy. The purchase of this plan is not contingent upon purchasing or having any individual or group health insurance coverage.

Calendar Year

A calendar year runs from January to December and starts over on January 1 of the following year. The maximum coverage amount applies during the calendar year.

Eligibility

The primary insured must be 64 and 11 months or older as of the effective date of the policy. The spouse or registered domestic partner can be any age. Dependent children are not eligible.

Misstatement of Age or Residence

If the covered person's age has been misstated and we would not have issued coverage for the covered person, we will refund the premium paid minus any benefit amounts paid by us, and coverage will be void from the effective date.

If you change your residence, you must notify us of your new residence within 60 days of the change. Your premium will be based on your new residence beginning on the first premium due date after the change. If your residence is misstated on your application, or you fail to notify us of a change of residence, we will apply the correct premium amount beginning on the first premium due date you resided at that residence. If the change results in a lower premium, we will refund any excess premium. If the change results in a higher premium, you will owe us the additional premium.

Non-Network vs. Network

You may pay more using non-network providers. Non-network providers may bill you for any amount up to the billed charge after the portion covered by the policy has been paid. Network providers have agreed to discounted pricing for covered expenses with no additional billing to you other than the coinsurance and deductible amounts.

Premium

You will be given at least a 31-day notice of any change in your premium. We will make no change in your premium solely because of claims made by a covered person under the policy. The covered person's type and level of benefits and the place of residence on the premium due date are some of the factors that may be used in determining your premium rates.

Reimbursement

If dental services are caused by the acts or omissions of a third party, we have the right to assert a lien to be reimbursed to the extent of benefits we paid for dental services, as outlined in the policy.

Renewability and Termination

The policy is renewable until the earliest of the following:

- Nonpayment of premiums when due, subject to the Grace Period provision in the policy.
- The date we receive a request from you to terminate the policy, or any later date stated in your request.
- The date we decline to renew the policy, as stated in the Guaranteed Renewable Subject to Listed Conditions provision in the policy.
- The date of your death. NOTE: If there is a covered spouse on policy, the spouse can continue coverage upon the primary insured's death.
